### Items Discussed

1. AAU Tourney hosted by LOG on Jan 31, 2021
  1. Received the flyer, need to update a few things:
    1. SD kids only
    2. Do coaches need AAU cards?
    3. 250 for whole tournament or for each division?
    4. Are they going to stagger division to cut down on number of people? 2 sessions?
  2. There are no defined weight classes, they will match them up as best they can
  3. More conversation needs to happen to work out financial logistics
2. 2020-21 AAU post-season
  1. Might need to look at setting guidelines for each host facility?
  2. Might be too early to try to set rigid guidelines and any guidelines set now could possibly change several times between now and March
  3. Decision was made to let each host site determine, coordinate, and communicate their local guidelines regarding Covid-19
  4. Staggering divisions might be a good option to cut down on number of people to meet Covid-19 restrictions
3. MS Dual Qualifier
  1. Looking to lock in host sites by January 15th
  2. Aberdeen, Sturgis, and Salem are potential sites
4. Next SDWCA meeting date will be January 13, 2021.
